

TUITION PAYMENT PLAN APPLICATION

The University offers a payment plan that allows tuition to be paid in two installments of 50% each. It applies to the net tuition, expected textbook fee, and residence charges, after any scholarship offered by the university. Other charges, such as the campus deposit and insurance must be paid in full before the due dates on your tuition bill. This plan is available to all international students except those who have a poor payment history at Duke Kunshan University. A non-refundable application fee of \$40/semester is charged to enroll in this plan.
