# Connect – Class Section Overview

The screenshot shows the McGraw Hill Connect interface for a class section titled "INVESTMENTS, 11E - INVESTMENTS, 11E". On the left is a dark sidebar with a "MENU" icon and several navigation icons. The main content area is white and contains the following sections:

- Instructor:** Cui Michelle (with a profile picture icon).
- Course materials:** A yellow box with a book icon and text: "Loose leaf option Purchase a discounted loose leaf copy of your course text."
- Study | SmartBook and LearnSmart:** A box with the "SB LS" logo and text: "Investments (SmartBook) Zvi Bodie, 11e".
- Read:** A box with a book cover icon and text: "Bodie, Investments, 11e (eBook)". Below this is a link: "Download the mobile app to read offline."
- Resources:** A dropdown menu showing "Additional Practice" and "Recorded Lectures".

## Here's what you'll find on the class section:

- **Study-** SmartBook assesses the student's knowledge and information retention, preparing one for class.
- **Read -** *Read the ebook embedded in the course*
- **Student Resources-** *a link to additional study aids related to the course and the textbook*
- Download the ReadAnywhere App. The app allows Connect users access their course eBook anytime, anywhere on their smartphone or tablet. User can download their eBook by either chapter or as the whole text and access it whether they're online or offline.
- ❖ *Each textbook has varied features.*
