ARCHIVES AND SPECIAL COLLECTIONS

档案与特藏

The University Archives and Special Collections supports the research and teaching mission of DKU by preserving and providing access to historically significant materials of both university history and relevant scholarly topics. The professional librarian provides records management consultations to campus units to facilitate the preservation and transfer of university historical records, and works with students and faculty to document the intellectual and cultural life of DKU.

大学档案和特藏部通过保存和提供对校史和相关学术主题的重要历史资料的访问渠道, 支持学校的研究和教学任务。专业馆员为学校各部门提供文件管理咨询, 以促进大学历史文件的保存和转移, 并与师生合作, 记录学校的精神和文化生活。

TEA HOUSE/OUTDOOR GARDEN & MEDITATION ROOM 茶室/空中花园及冥想室

Located on the 3rd Floor and connected to the Outdoor Garden, the Tea House features a double-height ceiling, and is furnished with traditional Chinese-style tea tables and lighting fixtures. You can reserve to hold events in the Tea House or the Outdoor Garden. Besides, you can visit the small Mediation Room on the 4th Floor (LIB4116) for a moment away from your work and take in the view of the Academic Quad.

茶室位于图书馆三楼，与空中花园连接，天花板为双层挑高设计，内置传统中式茶桌和灯饰。如有需求，可预约在茶室或者花园举办活动。此外，位于 4116 的小型冥想室可俯瞰学术广场，适合学习之余的休闲放松。

INSTRUCTION, RESEARCH AND DATA SUPPORT 教学、研究和数据支持

The Library provides one-on-one and group research consultations, in-class training sessions, and a series of workshops to teach you how to find, evaluate, organize, and analyze information and data. For advanced research support, professional librarians provide consultations of systematic reviews and design research & course guides in various disciplines.

The Library also provides access and instructional support for citation management tools such as Zotero and EndNote, and instructional support for data analysis and visualization tools such as R and Tableau.

Contact librarians, visit the Library website or follow the Library on WeChat for more information.

图书馆提供一对一或小组研究咨询、课堂培训及系列讲座以指导师生员工查找、评估、组织和分析信息与数据。如有深度研究需求，专业图书馆员可提供系统综述指导，并设计各学科领域的研究及课程指南。

图书馆提供 Zotero 和 EndNote 等引文工具等多种研究工具的访问及使用指导，及 R、Tableau 等数据分析和可视化工具的使用指导。
