

Please login DKUHub with your NetID and password [here](#). On the landing page, you will see the tile of “DKUHub Dashboard”. Click on the tile, and it will take you to the page to access the classes that you teach, your class schedule and class roster information.

General overview of the DKUHub faculty page

Depending on your role, you will be able to see Advisor, Class Information, Schedule, Class Roster, Grade Roster etc.

- **Advisor:** If you are assigned advisees, you will be able to see a list of your advisees on the “Advisor” page.
- **Class Information:** This page allows you to search classes by term and/ or course catalog.
- **Class Roster:** Student rosters of the classes that you teach are displayed on this page.
- **Grade Roster:** Once grade rosters are created (usually two weeks before classes end), you can view grade roster on this page. Grades are also expected to be entered on this page.
- **Lookup Student:** This is a function for advisors to find their individual advisees and their own advisees only.
